

Phoenix Merit Badge University

May 4, 2019

Pre-Requisites

List below are the requirements that are required to be completed (pre-requisites) prior to attending the class at MBU in order to get the blue card sign off during class. If the requirements below are not completed then they can be done after MBU and a merit badge counselor will have to sign them off when completed. Some of the counselors have not responded to date with their requirements so this is an educated guess on what they would most likely want completed prior to class.

Requirement 5 is to attend a public meeting (city council, school board, etc.) and to listen for points of view. To get this requirement signed off during the MBU, bring a short report telling me what public meeting you attended, what issues you heard discussed, and what the points of view were that you heard being presented. A couple paragraphs is fine. It does not need to be long.

Requirement 8 is to MC a troop event (court of honor, campfire, or worship service). If you already did this, you can get it signed off during the MBU if you bring a note from your Scoutmaster telling me about the event you conducted.
